Lawson Hammock

PATENTED DESIGN. 5-STAR CAMPING.

15 Years ago, Lawson Hammock was born when our founder, Wes Johnson, reimagined the camping hammock to bring greater comfort and versatility to life in the outdoors. Our patented Spreader Bar and Arch Pole System combines the simplicity of a hammock with the functionality and protection of a tent.

Our award-winning Blue Ridge Camping Hammock is used by outdoor enthusiasts all over the world. The light-weight design and easy set-up is engineered for a wide variety of users and terrains. Our commitment to comfort, quality, and durability has made Lawson an international leader in the camping hammock industry.
